

modreadcube::selectreadcubetype

friend

```
graph LR; friend --> modreadcube::selectreadcubetype
```

The diagram illustrates a friend relationship. On the left, a gray rectangular box contains the text 'modreadcube::selectreadcubetype'. On the right, a white rectangular box contains the text 'friend'. A dark blue arrow points from the 'friend' box to the 'modreadcube::selectreadcubetype' box, indicating that 'friend' is a friend of 'modreadcube::selectreadcubetype'.
