

modmpicom::setcommunicators

friend

```
graph LR; A[modmpicom::setcommunicators] <-- B[friend];
```

The diagram illustrates a friend relationship. On the left, a gray rectangular box contains the text 'modmpicom::setcommunicators'. On the right, a white rectangular box contains the text 'friend'. A dark blue arrow points from the 'friend' box to the 'modmpicom::setcommunicators' box, indicating that 'modmpicom::setcommunicators' is a friend of the entity represented by the 'friend' box.
