

```
modmpicommons::create  
_mpi_type_param_cone_grav
```

```
graph RL; A[modio::readparameters] --> B[modmpicommons::create_mpi_type_param_cone_grav];
```

A diagram showing a call from `modio::readparameters` to `modmpicommons::create_mpi_type_param_cone_grav`. The call is represented by a blue arrow pointing from the right box to the left box.

```
modio::readparameters
```
